ABOUT ME

My proficiency in HTML5, CSS ,JavaScript , Bootstrap, jQuery, WordPress combined with my ability to work in fast-paced and dynamic environments, make me an asset to any team. I am a detail-oriented and strategic problem -solver with strong communication and interpersonal skills.

I can create Anything You Want

As a front-end developer, I am passionate about the impact my work has on the world. I believe in the importance of contributing to the community and making a positive impact. I am committed to delivering results and ensuring project success.
Online immersive courses at Scrimba, CodeAcademy,FreeCodeCamp, SuperSimpleDev and Udemy helped me create a solid foundation in Web Development principles. As a result I am well-rounded in my skills and can handle all aspects of web development, making me a valuable asset to any team. With my knowledge and experience, I am ready to tackle any project
